REMARKS

Status:

The amendment filed September 6, 2005 is found by the Examiner to be non-compliant because of incorrect marking of changes to claims 1, 5 and 6.

Response:

The Examiner's identification of this oversight is appreciated. Appendix A hereof is a replacement Listing of the Claims section (pages 2-6), which provides corrected marking of claims 1, 5 and 6. This replacement is believed to place the amendment in compliance. Accordingly, Applicant respectfully requests that examination continue with the original claim section replaced by the section of Appendix A.

Respectfully Submitted,
